**Registration Fees:** Per Day: \$25.00 First Dog  
\$15.00 each Additional Dog

**Bird Fees:**

**\*\*EVERYONE registered is required to pay for one package per day PER DOG\*\***

Over the years, it's been a challenge to figure out the best way to make sure everyone has enough birds to work with, while making sure we don't order too many. It worked well last year to have people pre-pay for their birds and we nearly broke even for the first time in a LONG time on bird costs.

We have designed basic bird packages as follows:

***Natural Ability:*** Per dog per day **\$25**  
This includes: 3 Quail  
The use of a Chukar for tracking

***Utility Preparatory:*** Per dog per day. **\$45**  
This includes: 3 Quail  
1 Chukar  
1 Duck

***Utility:*** Per dog per day. **\$50**  
This includes: 3 Quail  
2 Chukar  
1 Duck

~~~~~  
Please use your birds each day; we've purchased them for you and your dog. If you get to the end of the day or the weekend and you haven't used the birds you've paid for, you're welcome to take them home with you.

A limited number of additional birds will be available for purchase at the event OR you may pre order additional birds in advance to guarantee availability and price. Please let me know if you are interested in additional birds.

**\*\* Please keep track of any extra birds that you use beyond your package and pay for them – this is extremely important. We are trying desperately to make this an affordable training weekend for all involved, and the birds are the most significant cost.\*\***

Feedback before, during and after the event is much appreciated.
